Dear Mr. Ware:

My wife and I own a home and reside directly on the Gulf of Mexico on Indian Rocks Beach, Florida where your company is currently in the midst of a beach renourishment project.

We both wanted to take this opportunity to thank you for your efforts and to commend to you the staff that you have on site. Robert Bolerjack and his crew have been most professional, informative and courteous in their operations and their interaction with the beachgoing public.

As owners of two labor intensive businesses we are acutely aware that so often you hear only complaints and/or criticism when unsolicited feedback is received. We always appreciate it and find it gratifying when positive comments come our way, particularly when they are the result of well-earned efforts of our staff and reflect positively on our lawfirm or our company.

Very Truly Yours,

Barry Silber and
Susanne Silber
